EXPERIENCE

Chen Ming Metal
Special Projects – Fashion Hardware & Belt Buckle Manufacturer

May 2026 – Present
Taichung, Taiwan

Built and deployed internal manufacturing tools that digitized handwritten production logs, standardized reusable process templates by SKU/color, and centralized factory process data in Supabase, reducing manual operational work by 65%
Secured \$200K in government funding by leading applications for initiatives supporting AI adoption, advanced manufacturing technology, and international market expansion

RepRally
Growth Associate – Series A Gig-Powered Wholesale Marketplace Startup (\$16M raised from Greylock Partners)

Aug 2025 – Dec 2025
New York, NY

Drove \$850K+ in monthly revenue by managing a team of 30 field sales reps and personally closed \$40K+ in sales in a month
Designed and launched growth experiments across rep acquisition, store activation, and route optimization; built tracking dashboards to monitor rep performance and route efficiency, increasing field efficiency by 45% and sales by 27%
Built and led a 7-person offshore lifecycle team to reactivate churned stores through segmented outreach, product education, and sales playbooks; recovered 10% of churned accounts
Built 2 n8n automation tools that reduced manual CRM workload by 20% weekly and streamlined rep onboarding processes
Managed a pipeline of 400+ prospective sales reps across recruiting, onboarding, sales training, product education, and troubleshooting, helping 25 new reps make their first sale

WagerPager
Founding Team & Head of Growth – World's Leading Sports Betting Jobs Site

Jan 2024 – Jan 2025
Boston, MA

Led organic growth across SEO, LinkedIn, and X content distribution, generating 45K monthly impressions, 1K MAU, 1st-page Google ranking, and 4K+ job applications within 6 months
Secured 5 strategic partnerships with Duke, Notre Dame, Michigan, and more, driving user acquisition and brand visibility
Oversaw a team of 3 interns and designed internal operations system, increasing social media workflow efficiency by 80%

PackAge+
Product Management & GTM Intern – Series A Circular Packaging Startup (\$5M raised from TSMC)

Jun 2024 – Aug 2024
Taipei, Taiwan

Spurred \$30K in monthly revenue and increased package return rate by 7% by leading the launch of a new circular tote bag product
Conducted in-depth analysis on 50+ fragrance products and led 20 customer interviews, leading to a new green e-commerce fragrance diffuser product launch
Ideated and pitched a new marketplace product connecting tech companies with green product vendors to CEO & CSO; acquired 10 B2B users & 500+ green product brands
Pitched to a panel of 4 seasoned VCs, securing 3rd among 20 high-potential startups in a Google Taiwan startup competition

KPMG
Corporate Finance Intern, Deal Advisory Team – Global Professional Services Firm

Jun 2023 – Jul 2023
Taipei, Taiwan

Produced 4, 6-page battery company profiles, analyzing business models, product profiles, and competitive landscape for acquisitions
Partnered with 3 associates on a sell-side M&A deal of a \$10M anime IP distribution company, assisting in the preparation of information memorandums, pitch decks, valuation analysis, and financial data
